Practical information :

Tchoukball is an easily accessible sport in which you get a lot of motion. It is open to everybody, boys and girls, as of 4 years.

Material: to do your first lesson, come in short and T-Shirt and bring your indoor sports shoes – it's all you need to get started!

The participation in the trainings is free of charge until the end of the season for all people who had to leave their own country. All the people in charge of tchoukball in Geneva wish in this way to allow you to play to practice a sport and to meet local people.
